

Congratulations to the members of the cross country team for their strong showing at the state meet. Catherine Darrow started things off with a good race in the Unified/Paralympic 3K. The girls team was up next and finished third just 3 points behind Paonia and 9 points behind Nederland. Katie Fankhouser and Kylee Udovich earned All-State recognition by virtue of their 9th and 10th place finishes, and Madeline Watts, Sarah Roberts, Georgia Barone and Alora Cross were the additional members of the team.
