

Important Bus Pass Information for Parents/Guardians of Students Riding the Bus

Dear Parent or Guardian,

As we near the end of the 2015-16 school year, I would like to thank you for encouraging your student/s to show up with their bus pass each day this past school year. Doing so has provided our students with a greater level of safety and security. As was explained when your student received the pass; they only receive one free bus pass. Therefore, we are asking that parents/students safely store the assigned pass over the summer months until the start of the new school year to avoid and cost of obtaining a replacement.

Should your student require a replacement pass, please contact the Bus Pass coordinator by sending an email to buspass@svvdsd.org or calling 303-702-7540. The replacement cost for lost, stolen and/or mutilated bus passes is \$5.00 and shows up as fee under your student's name in Infinite Campus.

Lastly, we are very excited to announce the initiation of Zpass+, a sophisticated notification system that will allow parents to receive text notifications with time and location information when your student scans on and off the bus. For more information, and to sign up for this free service, please go to www.zpassplus.com. When signing your student up, when asked for their First Name, you will need to enter their first and middle name. If student does not have a middle name, enter first name and "nmn", Example (Jim nmn). In addition you will need to enter your student's bus pass card number. If all else fails you may contact Transportation for Assistance at 303-702-7540.

Sincerely,

Randy McKie
Director of Transportation
